CLOUDY workshop

Inter-University Centre for Astronomy & Astrophysics
Pune, India
21-26 September 2015

IUCAA invites applications to participate in a workshop on the photo-ionisation simulation code Cloudy. The workshop will provide training to young researchers, especially Ph.D. students, and postdoctoral fellows, on using Cloudy, the related theory and observations of a variety of astro-physical environments such as the Inter-Stellar Medium, Inter-Galactic Medium, Active Galactic Nuclei, Starburst galaxies etc.

Principal Lecturer
Gary J. Ferland
(University of Kentucky)

Organisers
Gulab Dewangan
(Coordinator) ,
R. Misra, R. Srianand,
Ajit Kembhavi

Application deadline
21 May 2015
